As a result of the COVID-19 Pandemic, Council for the Town of Wolseley has made the decision to close all Municipal facilities to the public, **effective 8:00AM THURSDAY MARCH 19, 2020 until further notice**. This preventative measure will assist with reducing the potential for public exposure and spread of the virus.

Please note: this also includes the temporary suspension of the Fleury Bus transit service.

The Town of Wolseley is practicing social distancing and utilizing technology to communicate with our residents to avoid all unnecessary in-person meetings whenever possible. We will continue to provide essential municipal services as we are currently able. The Town Office, and Public Works will continue to be staffed, but will be closed to the public.
