Subject: Fwd: Re: Wolseley food bank

Hello all,

During our KraftHockeyville bid, the public generously donated to non-perishable drives and received a substantial product donation from Kraft/Heinz. We are deeply grateful for all the support.

Without a means of providing perishable products, 30.00 per person monthly vouchers are issued. Currently, this month, 15 families ranging from 1 to 8 members registered for vouchers and used the in-stock supply.

Zen Tharani, the owner of xenexconsulting.com, contacted me due to media reporting on Wolseley Food Bank's challenges and wants to help us with the following proposal;

I am excited to announce a new initiative in partnership with Xenex Consulting. We are proposing a donation matching program of up to \$3,000. Here's how it works: for every dollar our supporters raise, Xenex Consulting will match it, effectively doubling the impact of your contribution and making a significant difference to our cause.

The food bank's cash situation is critical and demands our immediate attention and action. Can we rally together and aim to reach our goal by the end of May 2024? I would appreciate your support in this pressing time.

Please direct contributions to the Town of Wolseley and add the "May Food Bank cash drive" to the payment options below. Tax receipts will be issued.

Direct Deposit - townofwolseley@sasktel.net

Walk-in - 610 Varennes Street

Mail - Box [310 Wolseley, SK S0G5H0](mailto:townofwolseley@sasktel.net)

Thank you.

Sincerely,

Gerald Hill
Mayor, Town of Wolseley
